

REQUEST FOR QUALIFICATIONS AIRPORT CONSULTING AND ENGINEERING SERVICES

May 13, 2019

The City of Monroe is seeking a qualified aviation consulting and engineering firm to provide professional planning, administration and engineering services for the Monroe-Walton County Airport. These services are to be provided in connection with the capital improvement plan (CIP) for the Monroe-Walton County Airport.

This Request for Qualifications (RFQ) will result in a multi-year agreement with a consultant for a period of five (5) years. The selected consultant will then negotiate and enter into sub-agreements for services, based on the scope of work, with the City of Monroe on a project/assignment basis during the term of the five (5) year period.

The selection process of a consultant is being done in accordance with Federal Aviation Administration (FAA) Advisory Circular 150/5100-14E, and applicable Georgia statutes and laws. Responding firms must possess a current prequalification distinction by the Georgia Department of Transportation (GDOT) in Class 1.08 Airport Master Planning and Class 2.09 Airport Engineering.

The City of Monroe reserves the right to withdraw this RFQ, or reject any and all submittals in response to this RFQ for any reason at time during the bid process due to unforeseen or any change in circumstances. This RFQ plus the resulting agreement, shall be consistent with all terms and conditions associated with contracts entered into by the City of Monroe. The City of Monroe is not liable or responsible for any cost(s) incurred during the preparation, presentation or submission as a response to this RFQ.

Scope of Services

The scope of services to be potentially included, but not limited to, in the multi-year agreement are as follows:

- Prepare project funding applications and Capital Improvement Plan (CIP) documents.
- Perform design, bidding and negotiation, construction administration and resident inspection services for any airport projects as requested by the City of Monroe.
- Prepare and update property line map, Airport Layout Plan (ALP), Disadvantaged Business Enterprise (DBE) plans, and Environmental Assessments (EA) as necessary.
- Potential projects include rehabilitation or overlay of runways, DBE update, obstruction surveys and LPV approach study, terminal building design and construction, hangers, and fueling tanks.
- Perform other airport related functions as prescribed and directed by the City of Monroe.

Information Requirements

The required information for submission should include, but is not limited to, is as follows:

- Company Description – a general description of the submitting company to include years in business, years in aviation consulting and engineering, size and location(s) of offices responsible for any assigned projects for the Monroe-Walton County Airport.
