The City of Monroe is now accepting applications for the position of Water Treatment Plant Apprentice or Water Treatment Plant Operator I, II, III. These positions are responsible for supporting the operation of a water treatment plant, with duties ranging from assisting in daily operations to independently managing plant functions. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Qualifications & Experience:

- High school diploma or GED; or equivalent combination or related training & experience
- Possession of or ability to obtain appropriate state-certified water or wastewater license as required
- Possession of or ability to obtain a valid driver's license issued by the State of Georgia for the type of vehicle or equipment used

Skills & Abilities:

- Knowledge of water treatment plant operations
- Knowledge of water distribution systems and their components
- Knowledge of laboratory procedures and water quality testing methods
- Proficiency in the use of methods, materials, tools, & equipment used in the operation, repair & maintenance of the water treatment facilities & related infrastructure
- Sufficient experience that demonstrates a solid understanding of the basic principles relevant to the major duties of the position
- Skill in basic math, biology & chemistry
- Ability to obtain a Georgia Water Operator Class 3 license and other licenses required for the assigned work

The City of Monroe offers some of the most employee-friendly benefits available. To view our complete benefits package & obtain an application, please visit our website. Completed applications may be submitted to Sarah Johnson, Manager of Human Resource Development, at Sjohnson@MonroeGA.gov
