**The City of Monroe** is now accepting applications for the position of Natural Gas Technician. This position is responsible for the installation, maintenance, and repair of natural gas mains, service lines, meters, and related infrastructure. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of the position.

### **Qualifications & Experience:**

- High school diploma or GED; or equivalent combination of related training and experience
- Possession of, or ability to ability to readily obtain, the following:
  - Valid Georgia driver's license
  - Valid Georgia CDL Class A license with no restrictions
  - Flagging certification
  - Operator Qualification (OQ) certifications related to assigned work activities

### **Skills & Abilities:**

- Knowledge of safety policies and procedures related to natural gas system maintenance and repair
- Knowledge of natural gas installation, maintenance, and construction methods
- Skill in repairing gas lines, mains, meters, and related infrastructure
- Skill in operating equipment such as trenchers, backhoes, tractors, front-end loaders, and air compressors
- Skill in the use of pipe locators, leak locators, fusion tools, and various hand tools
- Ability to read and interpret safety manuals, blueprints, and related documents
- Ability to communicate effectively with coworkers, customers, and the public
- Ability to work safely and perform physically demanding outdoor work
- Ability to complete required training and certifications related to assigned duties

### **Duties & Responsibilities:**

- Check for and repair gas leaks
- Install and maintain gas services, mains and related infrastructure
- Perform gas taps and extend service lines into new subdivisions and service areas
- Install, replace, and maintain gas meters
- Maintain cathodic protection on gas lines
- Respond to emergency service calls as needed
