Re: Annual OPOTA K9 Recertification

Please find the attached letter from Major Bob McDowell of the Huron County Sheriff's Office and Requests for Training for Sergeants Chandler, Hanson, and Drossman. It is the annual invite for the OPOTA K9 Recertification in Ohio. This years sponsor for the training and certification will be the Sandusky Police Department. As in the past, the City will not need to pay for lodging and no city vehicles will be needed for transportation. As in the past, all we will need is per diem for meals and fuel card.

If any questions, please let me know or Major McDowell has provided contact numbers for him.

Thank you,

Attn: Chief Glass

This year once again my training facility is hosting a seminar for both patrol and narcotic detection K-9's and their handlers. The training will begin on Monday July 12th thru Thurs July 15th 2010. Certification for patrol and narcotics will be held on Friday July 16th in Sandusky, Ohio. The training and certification fees will be waived for your K-9' teams attending as was done last year when they were here in Ohio. The officer's will be staying at my home as in the past to cut down on your departments expenses for motel rooms etc.

During the week the officer's and their K-9's will be instructed in advanced training for patrol techniques to include, off lead obedience, building searches, tracking both vegetation and hard service, criminal apprehension, area searches and felony car stops. Narcotic Detection for aggressive or passive response K-9's to include vehicles, private residences and warehouses.

We are looking forward to another very productive training week for all officer's and their K-9 partner's, and it is my hope that your K-9 teams can be in attendance. If you have any questions, please do not hesitate to contact me. Phone daytime work 419-668-8215, Cell Phone 419-677-1075, Home Phone 419-625-3385
