

CITY OF MONROE

INVITATION TO BID Natural Gas Main Relocation – Bypass Project

April 18, 2022

The City of Monroe is located between Atlanta and Athens metro areas with a diverse population of about 14,928 per the 2020 census, and serves as the county seat of Walton County. Monroe has a Council/Administrator form of government with a mayor elected at large and eight (8) councilmembers, who are elected by district or super-district. The mayor and members of the Council serve four-year terms, which are staggered by election.

The City of Monroe is currently seeking competitive bids for the installation/relocation of approximately 3,350 feet of natural gas mains as detailed within this document. This project is directly associated with the proposed SR 83 Connector route from SR 11 to SR 83, or bypass project by the State of Georgia and City of Monroe. The proposed timeline of the construction component of this relocation project is not to exceed 60 days. Maps (Exhibit A) of the area are provided, but site visits are encouraged for better accuracy of the submission and do not require the City of Monroe to be present.

When downloading this document, please notice the City of Monroe at purchase@monroega.gov of your company name and contact information, so that you may be copied on any additional addendums during the process. Any questions about this Invitation to Bid should be in writing only and directed to purchase@monroega.gov prior to **5:00 pm on May 10, 2022**, at which point no other questions will be allowed (*all times referenced are considered Eastern Standard Time*). A full list of questions and answers will be provided to companies of record and posted on the website as an addendum no later than **5:00 pm on May 12, 2022**.

This project will be administered by the City of Monroe through the Assistant City Administrator being the main point of contact for all questions during preliminary procedures and the bidding process. After a contract is awarded a project manager will be designated.

EVALUATION

Evaluation of submitted bids will be based on the lowest bid that, in its sole discretion, is the most responsive and responsible to the City of Monroe. The City of Monroe reserves the right to shortlist, interview, and negotiate with those submitting bids.

CONSIDERATIONS

The City of Monroe reserves the right to withdraw this Invitation to Bid, reject any or all responses, and to waive any irregularity, variance or informality whether technical or substantial in nature, in keeping with the best interests of the City of Monroe. This bid plus the resulting agreement, shall be consistent with all terms and conditions associated with contracts entered into by the City of Monroe. The City of Monroe is not liable or responsible for any cost(s) incurred during the preparation, presentation, or submission as a response to this bid request.

The City of Monroe may, at its discretion, change, add or remove features and functions from final contract for the installation/relocation of natural gas mains at any time.

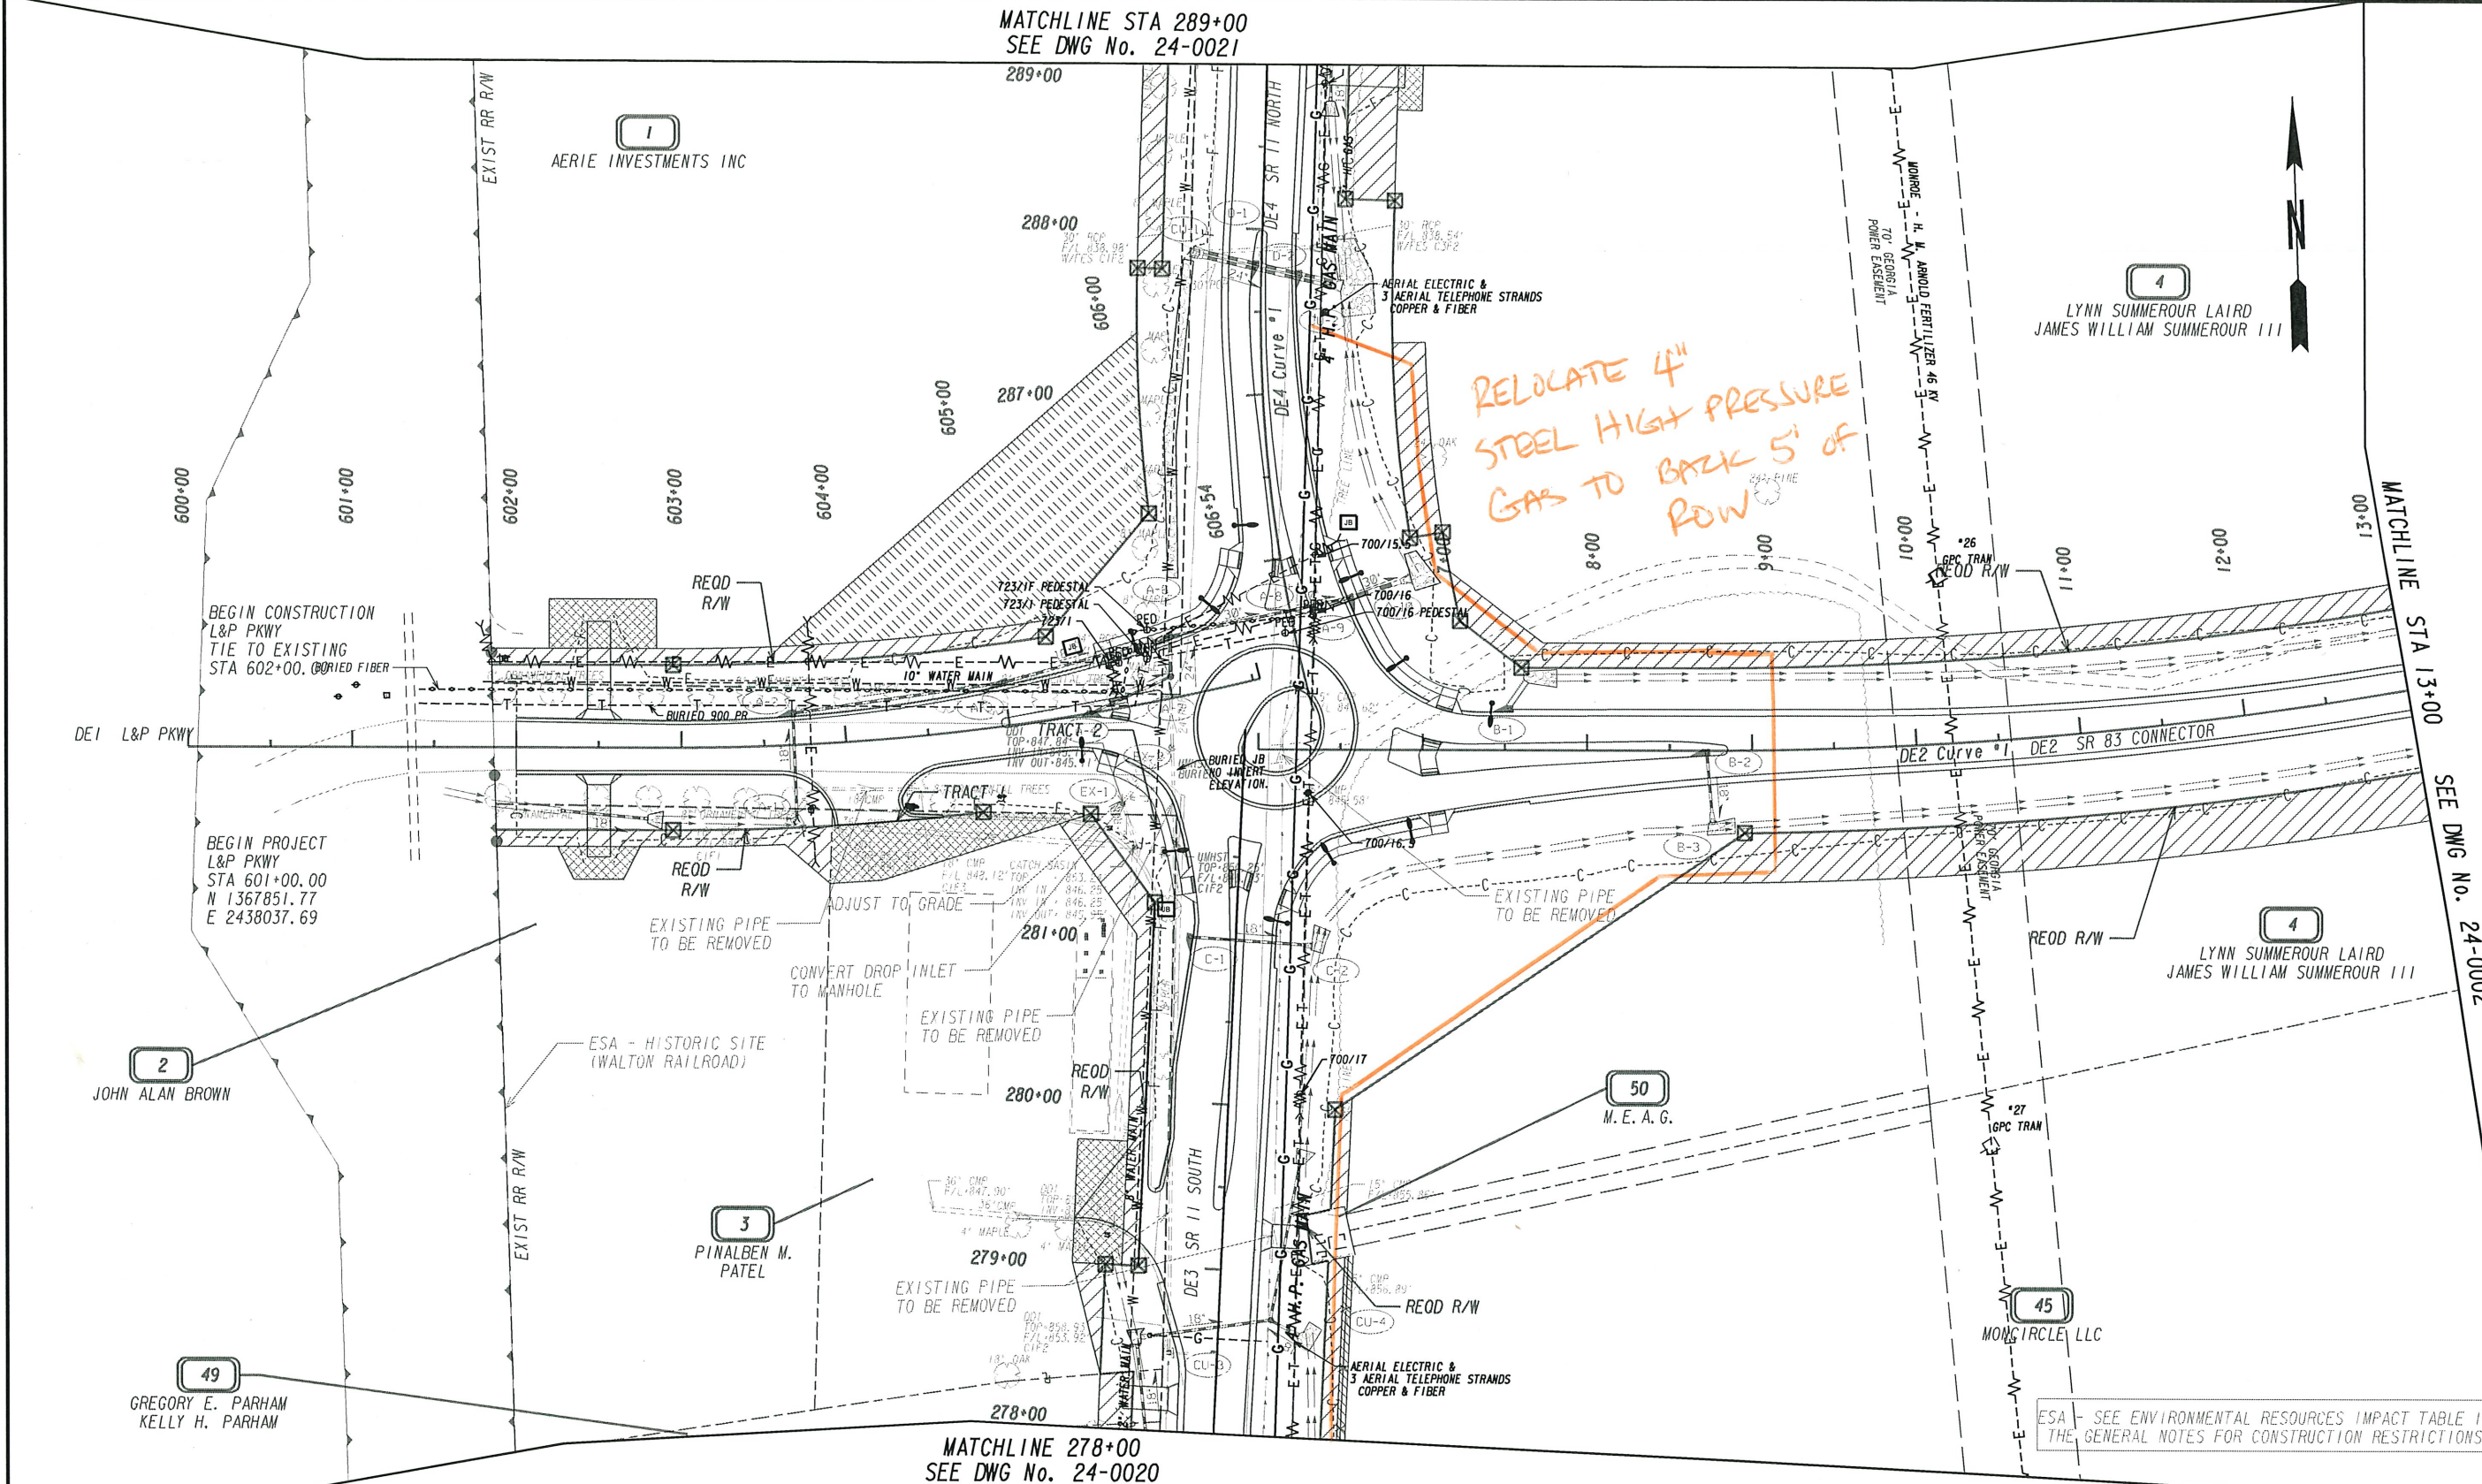

The submitted bid fee and structure shall remain effective for a period of no less than ninety (90) days.

Any unauthorized contact regarding the bid with staff or elected officials may result in disqualification. Any oral communications will be considered unofficial and non-binding on the City of Monroe.

We thank you in advance for your submission and welcome any questions you may have during the process.
