Subject: Transportation/Warehouse – Phase II
Old Walker Park Elementary Site

Dear Mr. Middlebrooks,

It was a pleasure speaking with you on December 2, 2009. We talked briefly about anticipated construction project for the Walton County School District. The school district agrees with the assessments of \$5,250.00 for the 2" meter and \$3,500.00 for the 6"x6" Water tap. However, we are requesting the Sewer tap fee of \$20,000.00 be waived. We appreciate your willingness to learn more about this matter.

We are only connecting to the existing lines within our site, and the number of people served in the complete new system is lower than it was originally as a school. We are willing to meet with you and provide additional information if required.

We look forward to working with The City of Monroe in the near future, on mutually beneficial projects.

Thank you for your attention to this matter.

Sincerely,

Joseph Brew
Construction Manager
Walton County School District
