Mr. Julian Jackson
City Manager
215 North Broad St.
Monroe, GA 30655

Dear Mr. Jackson:

The Walton County Board of Education (WCBOE) is currently constructing the Monroe Area High School Athletic Addition, which has recently been reviewed by Monroe Utilities Network (MUN). MUN has imposed an impact fee on this project in the amount of \$10,550.00 which represents:

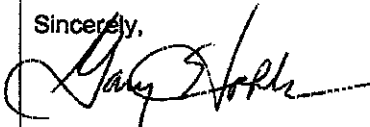

- | | |
|--------------------------------|---------|
| • Sewage – Multipurpose | \$5,000 |
| • Sewage – Concession Building | \$5,000 |
| • Plan Review Fee | \$ 550 |

We have been advised by MUN that since this a job for Walton County Board of Education the fees can be waived at the request of the City Manager.

Walton County Board of Education respectfully requests that the City Manager waive the fees since this is a County project.

Please advise us if you require any further information in order to grant this request.

Sincerely,

Gary Hobbs
Interim Associate Superintendent
